

Direct Payment Authorization Form

Attach voided check or savings deposit slip here.

We are pleased to offer you a new service—the Direct Payment Plan. Now you can have your payment deducted automatically from your checking or savings account. And, you won't have to change your present banking relationship to take advantage of this service.

The Direct Payment Plan will help you in several ways:

- It saves time – fewer checks to write and mail.
- Helps pay your bills in a convenient and timely manner – even if you're on vacation or out of town.
- Your payment is always on time—it helps maintain good credit.
- It saves overnight mail or wiring charges.
- No late charges (typically 5% of payment) due to lost or delayed mail delivery.

Here's how the Direct Payment Plan works:

You authorize regularly scheduled payments to be made from your checking or savings account. Then, just sit back and relax. Your payments will be made automatically on the

specified day. You will receive your Payment Notice after the payment due date identifying the amount of your direct payment that was deducted from your bank account. **You select the date you want the direct payment deducted from your account, either the payment due date or any day up to 9 days after the payment is due (any day within the payment due 10 day Grace Period)**

The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization. The Direct Payment Plan is dependable, flexible, convenient and easy. To take advantage of this service, complete the attached authorization form and return it to us at least 12 days prior to your payment due date.

All you need to do is:

- 1) Complete your bank name and select whether your payment will be deducted from your checking or savings account.
- 2) Attach a voided check for a checking account or a deposit slip for a savings account.
- 3) Sign and date the form.
